Finnish Proteomics Society

Dear Friends and Colleagues,

We are delighted to invite you to participate in the **Spring Proteomic Highlights**, an online meeting organized jointly by the Polish Proteomic Society and Finnish Proteomics Society, devoted to problems of modern proteomics and proteogenomics in human disease research.

The speakers of the seminar are **Dr Javier Alfaro** from International Center of Cancer Vaccines Science (ICCVS), at the University of Gdansk and **Dr Tuula Nyman** representing the University of Oslo.

Dr Javier Alfaro
„Proteogenomics today
and tomorrow”

Dr Tuula Nyman
„Proteomics to characterize
activation of innate immunity”

The online event will be held on **Wednesday, April 14, 2021**, at **2 - 4 pm CET**, via **ZOOM** platform. Please feel free to circulate the information among any colleagues that may be interested.

Please **register** your participation by replying to: proteom@man.poznan.pl or maciej.lalowski@helsinki.fi

The zoom link will be provided to registered participants.
